Ayer's Sarsaparilla

A compound remedy, designed to be the most effectual Alterative that can be made. It is a Post Office.

Thankful to the ladies and gents for the liberal support concentrated extract of Para Sarsaparilla, so he has received for the last five years, hoping for a concombined with other substances of still greater tinuance of the same to increase his business, having alterative power as to afford an effective antidote more accommodations in his new premises, with the hope to give satisfaction as he has always tried to do. Being for the diseases Sarsaparilla is reputed to cure. well experienced in all the branches of his business, he It is believed that such a remedy is wanted by feels confident that all work entrusted to his care will be those who suffer from Strumous complaints, and | done by experienced workmen from Paris that one which will accomplish their cure must prove of immense service to this large class of our shades. Crape shaws dyed a beautiful scarlet or crims afflicted fellow citizens. How completely this and bleached. ANTHONY'S CLEANING AND DYEING FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the son of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of the remedy, spare look as well as new, at short notice and on reasonable themselves from the endurance of foul cruptions | ter do this through the natural channels of the body vitiated blood whenever you find its impurities try promptly attended to. bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves, much the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or anything else. During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not

only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by SPRING MEDICINE the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the

and terminating in a bloody strife between those sources, will show the army pay roll. In the first who should have been forever bound together by column will be found the nett salary per month fraternal bonds, thus bringing upon the whole country a calamity which we are now to meet as and in the second the total salary per month, loyal citizens, striving for the adoption of that mode of settlement best calculated to again restore union and harmony. 4. That in rejecting all propositions likely to result in a satisfactory adjustment of the matters in dispute between the North and the South, and especially those measures which would have secured the border slave States to the Umon, and a

hearty co-operation on their part in all constitutional and legal measures to produre a return of the more Southern States to their allegiance, the Republican party assumed a fearful responsibility, and acted in total disregard of the best interests of the whole country. That if the party in power had shown the same desire to settle, by amicable adjustment, our internal dissensions before hostilities had actually commenced, that the Administration has recently exhibited to avoid a war with our ancient enemy, Great Britain, we confidently believe that peace and harmony would now reign throughout all our borders.

6. That the maintenance of the Union upon the principles of the Federal Constitution should be the controlling object of all who profess loyalty to the Government-and in our judgment this purpose can only be accomplished, by the ascendency of a Union party in the Southern States, which shall, by a counter revolution, displace those who control and direct the present rebellion. That no effort to create or sustain such a party can be successful which is not based upon a definite settlement of the questions at issue between the two sections; and we therefore demand that some such settlement be made by additional constitutional guaranty, either initiated by act of Congress or through the medium of a National

UNION DEMOCRATIC PLATFORM. ADDITED IN STATE CONTENTION JANUARY, 8, 1862.

WHEREAS, The Democratic party having, from the date of its organization, been in favor of the maintenance of the Union and the preservation of

the Constitution, and seeing in the present condition of the country the deplorable effects of a

departure from its time honored and conservative principles, and the triumph of sectionalism; and

firmly believing that the Union and the Constitu-

tion can be preserved alone by the restoration of that party to power, we invite all true Union men

throughout the land to unite with us in sustaining its organization and carrying out its principles:

Resolved, 1. That we reaffirm and endorse the

political principles that from time to time have

been put forth by the National Conventions of

2. That we are unalterably attached to the

Constitution, by which the Union of these States

was formed and established; and that a faithful

observance of its principles can alone continue

the existence of the Union, and the permanent

sulted from the long continued, unwise, and fa-

natical agitation, in the North, of the question of

domestic slavery, the consequent organization of

a geographical party, guided by the sectional

platforms adopted at Buffalo, Pittsburgh, Phila-

delphia, and Chicago, and the development there-

by of sectional hate and jealousy, producing (as

had long been foreseen and predicted by us) its

counterpart in the South of secession, disunion,

and armed resistance to the General Government,

7. That the Republican party has fully demonstrated its inability to conduct the Government through its present difficulties. 8. That we are utterly opposed to the twin heresies, Northern sectionalism and Southern secession, as inimical to the Constitution; and

that freemen, as they value the boon of civil liberty and the peace of the country, should frown indignantly upon them. 9. That in this national emergency the Democracy of Indiana, banishing all feeling of passion and resentment, will recollect only their duty to the whole country; that this war should not be waged in the spirit of conquest or subjugation, nor for the purpose of overthrowing or interfering with the rights or institutions of the States. but to defend and maintain the supremacy of the

11. That the purposes avowed and advocated by the Northern disunionists, to liberate and arm the negro slaves, is unconstitutional, insulting to loyal citizens, a disgrace to the age, is calculated to retard the suppression of the rebellion and meets our unqualified condemnation. 12. That the total disregard of the writ of habeas corpus by the authorities over us, and the seizure and imprisonment of the citizens of loyal States where the judiciary is in full operation, without warrant of law and without assigning any cause or giving to the party arrested any opportu-

nity of defense, are flagrant violations of the Con-

stitution and most alarming acts of usurpation of

power, which should receive the stern rebuke of every lover of his country and of every man who prizes the security and blessings of life, liberty and 13. That liberty of speech and of the press are guaranteed to the people by the Constitution, and none but a usurper would deprive them of these rights; they are inestimable to the citizen and formidable to tyrants only. And the attempts which have been made since our present unfortunate troubles, to muzzle the press and stifle free discussion, are exercises of despotic power against which freedom revolts and which can not be tole-

That the action of the Republican party, as manifested in the partisan character of all appointments of the Administration to civil office: and, in holding party caucuses by the Republican members of Congress for the purpose of impressing upon the legislative action of that body the peculiar dogmas of that party, have demonstrated that their professions of "sacrificing party platforms, and party organizations, upon the altar of their country," are but so many hypocritical and false pretences by which they hope to dupe the unwary into their support; and we warn all loyal persons, as they

love their country, not to be deceived thereby. 16. That the disclosures made by the investi gating committee in Congress of the enormous frauds that have stalked into the army and navy departments, implicating the heads of those de partments in a connivance at, if not an actual participation in a system of corruption, and inwhich our brave soldiers have been deirauded of their proper supplies, and our Government threatened with bankruptcy, demands a thorough investigation into all our expenditures, both State and National, and that a speedy and marked example be made of all such "birds of prey," who, taking advantage of the necessities of our coun

try, have fed and fattened upon public plunder. Resolved. That the meritorious conduct of the Indiana troops, in every battle field where victory has perched upon the national banner, has filled the people of this State with the highest gratitude to her gallant sons, and that we send our best wishes to officers and men, dispersed throughout the country, and the heartfelt greetings of every Democrat for their further brilliant achieve ments in the coming contests for the maintenance

of the Constitution and the Union. ALE.
